How to request an EORI

English 

How can you request an EORI number?

- persons established in the customs territory of the Union should request the assignment of the EORI number to the **customs authorities of the EU** country in which they are established.
- persons not established in the customs territory of the Community should request the assignment of the EORI number to the customs authorities of the EU country responsible for the place where they first lodge a declaration or apply for a decision.
