3.AFA EXTENSION

AFA extension

Release of 5 February 2018

- With the last EDB release it is now possible for RHs to file a request of AFA extension
- New profiles created for COPIS Users to view and manage the requests:

copis_afa_consult

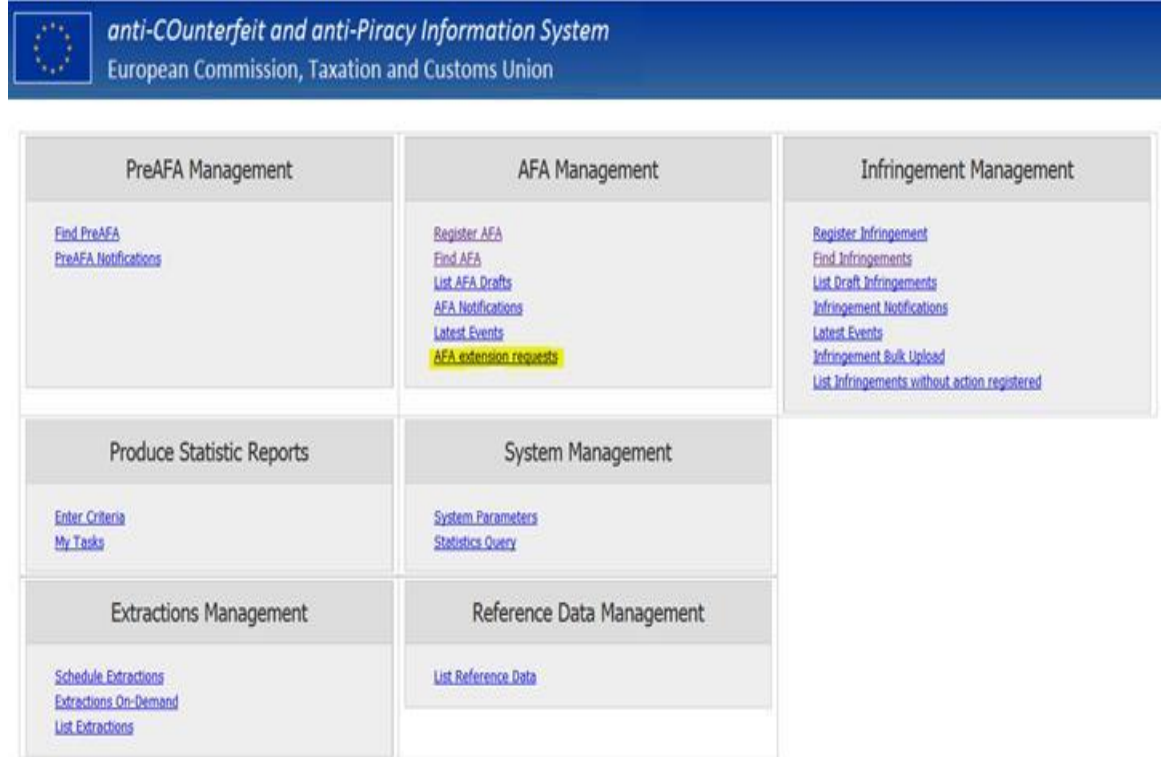

- So currently COPIS users dealing with pre-AFA would need to have the following profiles:

**copis-preafa-manager
copis-preafa-consult
copis-afa-manager**

AFA extension

Release of 5 February 2018

- At the User Interface level, a new link will be created in the AFA panel section of COPIS to direct the user to a new page: **“AFA extension requests”**.
