**Subject:** Pre-AFA ID CZ20171206183824000015 has been sent to customs

Dear user,

The Pre-AFA with ID [CZ20171206183824000015](#) has been sent electronically to customs.

Please do not forget to send a signed printed version of the pre-AFA by post to the customs authority of the submission country ([EU customs contact details](#)).

If you have chosen Spain as the submission country, it is not necessary to send your pre-AFA to the customs authority by post.

When Italy is selected as the submission country, apart from sending by post the signed printed version to the customs authority, you are required to access the Italian system (FALSTAFF) in order to sign the pre-AFA electronically. For this, you are required to have an account in the Italian system and, once logged in, provide the pre-AFA ID and a one-time password (OTP) that is sent by email to the contact point defined in the pre-AFA for Italy.

When Spain is selected as the submission country, a digital certificate is needed in order to enter and sign the pre-AFA electronically (in Spanish: solicitud de intervención de marcas) in the Spanish Agencia Tributaria (Sede Electrónica).

You can find further information in the [EDB step-by-step user guide](#).

If you are a representative submitting this pre-AFA in the name of the applicant, please remember to include evidence of your powers to act as a representative in accordance with the legislation of the Member State in which the application is submitted.

Do not hesitate to contact us if you need further assistance.
