## Grounds for Invalidity

+ Add grounds

- Each invalidity ground must be supported by its own set of facts, evidence and arguments. The following overview does not substitute a reasoned statement which must be attached.
- Proof of existence of prior design rights/ prior designs must be attached (excerpts from official databases, certificates, official excerpts from the registers).
- Prior design rights must be valid, i.e. not expired, invalidated, surrendered. If the INV. Application is based on a prior design application a proof of valid registration must be submitted right after registration.
