

## **Annex 2 — List of fixed amount/fees by EU country for both services**

The categories of eligible direct costs linked to the performance of the action are the following:

- service 1:
  - the fixed amount of eligible IP pre-diagnostic services. The list of national IP offices providing the services may change from one submission window to another.
- service 2:
  - for trade marks, it is the basic fee paid at the moment of application, excluding additional classes of goods and services;
  - for designs, it is the basic fee paid at the moment of application, excluding any additional publication or deferment fees.

The grant will be of a maximum amount of EUR 1 500 and it will be defined by applying a maximum co-financing rate to the eligible costs actually incurred and declared by the beneficiary as follows:

- For service 1: reimbursement of 75 % of the eligible costs;
- For service 2: reimbursement of 50 % of the eligible costs.

### **• Service 1 – IP pre-diagnostic services ('IP scan')**
