Central industrial property office before which the applicant is entitled to represent:		

Type of request (*please tick one*):

- Entry on the list of professional representatives in trade mark matters, which includes representation in design matters (Article 120(1)(b) EUTMR and Article 78(1)(b) CDR);
- Entry on the special list of professional representatives for design matters only (Article 78(1)(c) CDR).

Section 2 Application and declaration of fulfilment of conditions

I hereby apply for entry on the list of professional representatives before the EUIPO pursuant to Article 120(1)(b) EUTMR and Article 78(1)(b) and (c) CDR.

I declare that I fulfil the following conditions (*please tick as appropriate*):

- I am a national of a Member State of the EEA;
- I have my place of business or employment in the EEA;
- I am entitled to represent natural or legal persons in trade mark or design matters before the central industrial property office of the EEA.

My entitlement to represent arises from (*please tick one*):

i) Entitlement to represent third parties before the national office is conditional upon possession of a special professional qualification:

- I have the required special professional qualification.

ii) Entitlement to represent third parties before the national office is not conditional upon possession of a special professional qualification, in which case:

- I have regularly represented third parties before the central industrial property office of a Member State of the EEA for at least five years;

or

- I have a professional qualification officially recognised in accordance with the regulations laid down by the Member State of the EEA, and therefore I am not subject to the condition of having exercised the profession for at least five years.

The relevant national office has certified the fulfilment of the above requirements by means of (*please tick one*):

- the attached individual certificate;

- a block certificate notified on
