Dear Madam/Sir

Offer

The publishing of the public registration of your trademark is the basis of our offer. We offer our trademark protection service that prevents your trademark from copyright infringement. You will receive timely reports on newly published trademark applications in key markets to uncover potential conflicts with your brand. You will also receive timely reports from ecommerce, social media and mobile platforms to uncover potential trademark violation. Our offer will be accepted by payment of the total filing fee and becomes a legally binding contract between you and Int-Trademarks Kft. Please notice that this service **has not any connection** with the publication of official registrations and **is not** a registration by a government organization. **This offer is not an invoice** but a solicitation **without obligation** to pay, unless our offer is accepted. All further details are indicated in our general terms and business conditions overleaf or in our website.
