

# How to access the IP ENFORCEMENT portal

Customs applications for action (AFAs) can be filed and managed in the IP Enforcement Portal (IPEP).

Go to [www.ipenforcementportal.eu](http://www.ipenforcementportal.eu)

There are two ways to access IPEP:

## 1. Authenticating through IPEP credentials

No account yet? How can I sign up

You indicate [here](#) your valid trade mark or design right - used for authentication purposes only.

You receive a letter with a safety code by courier and send this code to [ipenforcementportal@euipo.europa.eu](mailto:ipenforcementportal@euipo.europa.eu) via an "individual work" email address (no group mailbox).

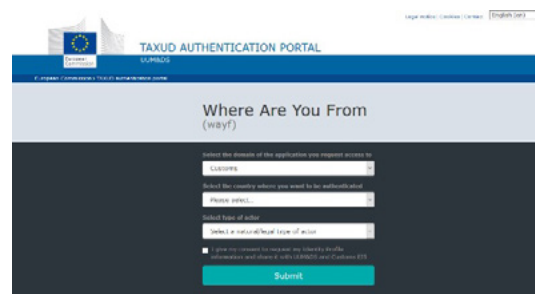

You receive your credentials to access IPEP.

## 2. Authenticating through the TAXUD Authentication Portal (UUM&DS)

After entering your national credentials (EORI), you will be redirected to the AFA e-filing system in IPEP.

Select your country
